## Wine Bike

### Agrelo Wine Bike

*The town of Agrelo, Lujan de Cuyo, expects to amaze us with its breathtaking landscapes, panoramic views towards the Andes peering out from the prestigious vineyards of Mendoza wineries producing our famous Malbec. Climatic and geological characteristics of the region invite us to discover how the terroir can influence their wines.*

### Melipal Winery

The Aristi family has generations of experience working the land Argentina. In 2002, they established the winery Melipal with first harvest of wine in 2003. They decided to dedicate themselves to make super premium wines. With consistency, enthusiasm and passion, they represent the land of Alto Agrelo.

### Bodega Bressia

In early 2003 a venture started under the concept of "Family Wines". Walter Bressia starts his own business as a result of long experience as winemaker at the national and international market. Its main purpose is personalized and limited sale of wines of the highest quality.

Each bottle is unique and therefore can enjoy the pleasure that offers exclusivity and uniqueness of each crop.

### Bodega Norton

Norton has been one of the biggest names from the beginnings of wine production in Argentina. Produce wines focusing on the philosophy of pleasure for those who take them.

In this winery visit, you will have the opportunity to taste the wine in each of its development stages. In addition, we enjoy an excellent gourmet lunch paired with Norton's best wines.

## Wine Bike

### Wine Bike Valle de Uco

*Valle de Uco, is characterized as a region of wineries at the foot of the mountains isolated from the city; being able to create unique wines by the features provided by the altitude in a context of unique landscapes for their beauty.*

*To make the experience even better, we propose enjoy these beautiful places mounted our bikes Trekk.*

### Manzano Histórico

Departure from Manzano Histórico Monument (Tunuyán), where the General José de San Martín made a rest stop on their journey back to Argentina after his glorious liberating struggle. There a monument was erected and also operates a center where visitors can interpret the history of the place. Notwithstanding the mentioned, the site also has value from the point of view of nature for its biodiversity and scenic beauty.

### Bodega La Azul

La Azul is a charming small winery with its own vineyards, which allows an excellent control of the entire process. This subtle work ends in a bottle whose sole purpose is to make you spend a pleasant time.

The world has yet to discover the wines of La Azul, but we are confident that after when tested, you will fall in love as much as we do.

### Bodega Salentein

The lands that today belong to this project witnessed countless feats and exploits; an area where the will and efforts were transmitted from generation to generation, from indigenous peoples and the Jesuit missions, through great personalities like General San Martín.

During the course of the visit, you can taste 3 large Salentein wines. You will end up in Salentein's art gallery, which is the only one of its kind in Mendoza.

Bodega Salentein has the vision quality with classic varietal plantations, preservation of old vines, re application of European craftsmanship and the use of advanced technology, this results in international standard wines.

Mendoza Wine Experience includes a gourmet lunch visit four steps exquisitely by the chef paired with premium Salentein's wines.
